

Achievements in last 5 Years :

A. Setting up of AIIMS :

I. Six functional AIIMS under Phase-I : In Six functional AIIMS (AIIMS-Patna, AIIMS-Rishikesh, AIIMS-Jodhpur, AIIMS-Bhopal, AIIMS-Bhubaneswar and AIIMS- Raipur) the derailed construction work is put back on track and expedited:

- 3613 hospital beds added.
- Daily OPD patients increased to 7 times (From 1700 to more than 12000).
- Basket of services in six AIIMS expanded and presently, on an average, about 2600 major surgeries are getting performed every month.
- 750 PG seats added

II. New AIIMS under Phase-II, IV, V, VI, VII : 14 new AIIMS sanctioned / approved since May 2014 (AIIMS at Raebareli was already sanctioned ; 01 more AIIMS in Bihar - awaiting land allotment) taking the tally of AIIMS to 22.

- OPD services started in AIIMS Raebareli, AIIMS Mangalagiri and AIIMS Gorakhpur in year 2018-19
- Undergraduate MBBS courses started at AIIMS Mangalagiri & Nagpur with induction of first batch of 50 students each from the session 2018-19.

B. Up-gradation of existing GMCs:

- Construction of Super Specialty Block / Trauma Centers in 23 out of 58 GMC approved projects completed (excluding 8 GMC project completed before 2014).
- 17 new projects approved for up-gradation under Phase-IV, V(A) & V(B) out of which civil work has been awarded for 13 GMCs up-gradation projects.
- More than 4000 super –specialty beds added in GMCs up-gradation projects.
